Officer Bio by: Quinten Cherry

Hey everyone I'm Quinten Cherry the Sentinel for Clear Springs FFA I believe this year will be exciting and can't wait to share it with you. My reason for becoming an officer is not of words but passion I love FFA I fell for it when I was told I could raise animals and make money. But I quickly learned that FFA is more than just an organization that you can quit it is a family that will always be there. The FFA jacket shows we as agriculturists are empowered to show that agriculture is a way of life and can be in anything you do. While being an officer I hope to bring an uproar of excitement for raising animals. Which I also hope to bring more members to our LDE/CDE teams I believe it will become fun and exciting thing for the members.

Member of the Month.... BY SARAH BARRERA

Morgan O'Donnell is a sophomore that's been in FFA for both years of high school. She raised goats for CCISD and placed first in her class. She is currently raising 3 goats for CCISD, San Antonio, and Galveston. During her freshman year she helped with the fall festival, doing the petting zoo and jail. She also helped with the barn buddies show donating her goat and time for the kids. She is

hoping to donate more time and effort during this year of her
