Officer Bio by: Quinten Cherry

Forever blue, Aj Ashby

Hey everyone my name is Aj Ashby and I'm ecstatic about this year. I've been involved in raising chickens and goats. The FFA jacket symbolizes that you can do anything you put your mind to and you can grow and succeed. I was motivated by my family, they were involved in farming and now with FFA I can do my part in the community and I love the responsibilities that a FFA officer has.

Member of the Month.... BY SARAH BARRERA

Isabell Cranfill is a first year member in our FFA chapter. Isabell joined FFA because she loves all the opportunities that she is offered in this organization rather than others. Currently she is raising a steer through the SAE program. She is also Vice president of the Clear Springs Green Hand chapter conducting team. She is also planning on joining the vet team as well. but others as well. What the

FFA jacket means to her is that she can be a part of an organization that is not just about farming, but about having pride and respect to not only yourself
