Member of the Month:

By Sarah Barrera

Stephen Holt is in his second year of FFA. Currently he has 2 head of cattle, one CCISD steer and one calf scramble heifer. He joined FFA because he wanted not only to show cattle, but also get involved with agriculture. The jacket represents to him an outward expression of inward commitment. Being able to wear the jacket shows that you are proud of your organization and what it stands for.

Officer Bio: Courtney Potter

By Quinten Cherry

Hi my name is **Courtney Potter** and I'm so excited to work with everyone this year. I am currently raising 3 pigs for CCISD, Houston and San Antonio. The FFA jacket means that I am involved in a strong organization full of memories that will last me a lifetime. My motivation for becoming an officer was the different opportunities and the responsibilities that come along with the position. Also the idea of making a chapter better than it has ever been.

Living to serve, Courtney Potter
