Leadership					
Maturity					
Motivation/Initiative					
Ability to work with others (team player)					
Communication					
Punctuality					
Time Management					
Inclusiveness					
Respectfulness					
Completes Assignments					

The above student is a candidate for the Clear Springs FFA Officer Team. This student has chosen to become a leader in the nation's largest youth leadership organization. A leader in FFA must exhibit the highest qualities of servant leadership, morality, and responsibility.

The role you play in the officer selection process is an important one. You allow us to see how the candidates behave in a different setting than we normally do. We believe that the definition of integrity is "who someone truly is when others aren't looking." Your evaluation will allow us a glimpse of this. In addition, the overall score of a candidate's teacher evaluation is used in the result of a tie. Thank you for taking the time to help us select the future leaders of our organization.

Your comments will be kept confidential. Please add anything that you feel may be helpful in the officer selection process. **Thank you for your time and honesty!**
